Farm to table. Fresh and healthy.

These are more than catch phrases.

They are a mandate.

The Food Safety Modernization Act enforces new standards on the safe transport of food. And US Liner is your only source for FDA-approved wall liners that treat cargo with TLC.

As part of our Total Protection Solution, our **Versitex** wall liners are **the only FDA-compliant wall liners available for reefer trailers**. In fact, our materials have been setting the standard for safe food transport for more almost **20 years**.

US Liner's Total Protection Solution is your assurance that your fresh cargo arrives fresh. Farm to table.

The Total Protection Solution. Specify only US Liner.
